

## Wzór szczegółowego harmonogramu prac

| Lp. | Adres nieruchomości | Planowany termin rozpoczęcia | Planowany termin zakończenia | Akceptacja właściciela nieruchomości |
|-----|---------------------|------------------------------|------------------------------|--------------------------------------|
| 1   |                     |                              |                              |                                      |
| 2   |                     |                              |                              |                                      |
| 3   |                     |                              |                              |                                      |
| 4   |                     |                              |                              |                                      |
| 5   |                     |                              |                              |                                      |
| 6   |                     |                              |                              |                                      |
| 7   |                     |                              |                              |                                      |
| 8   |                     |                              |                              |                                      |
| 9   |                     |                              |                              |                                      |
| 10  |                     |                              |                              |                                      |
| 11  |                     |                              |                              |                                      |
| 12  |                     |                              |                              |                                      |
| 13  |                     |                              |                              |                                      |
| 14  |                     |                              |                              |                                      |
| 15  |                     |                              |                              |                                      |
| 16  |                     |                              |                              |                                      |
| 17  |                     |                              |                              |                                      |
| 18  |                     |                              |                              |                                      |
| 19  |                     |                              |                              |                                      |
| 20  |                     |                              |                              |                                      |
| 21  |                     |                              |                              |                                      |
| 22  |                     |                              |                              |                                      |
| 23  |                     |                              |                              |                                      |
| 24  |                     |                              |                              |                                      |
| 25  |                     |                              |                              |                                      |
| 26  |                     |                              |                              |                                      |
| 27  |                     |                              |                              |                                      |
| 28  |                     |                              |                              |                                      |
| 29  |                     |                              |                              |                                      |
| 30  |                     |                              |                              |                                      |
| 31  |                     |                              |                              |                                      |
| 32  |                     |                              |                              |                                      |
| 33  |                     |                              |                              |                                      |
| 34  |                     |                              |                              |                                      |
| 35  |                     |                              |                              |                                      |
| 36  |                     |                              |                              |                                      |
| 37  |                     |                              |                              |                                      |
| 38  |                     |                              |                              |                                      |
| 39  |                     |                              |                              |                                      |
| 40  |                     |                              |                              |                                      |
| 41  |                     |                              |                              |                                      |
